Points to Ponder

1. Who is only good? How did the young rich man have things right but also so wrong?
2. Most Christians fear growing persecution and do not consider prosperity a danger. Compared to the history of the Christian church in the world, how persecuted is the current Christian Church in America? How prosperous compared to others in the world and in history?
3. Instead of using persecution, the devil may be using prosperity to distract today's Christian. How is prosperity an issue for our faith?
4. What distractions do you have when it comes to your relationship with God? How can you better perceive your distractions, point them out and avoid them?
