Home Mission Church Milestones

During the past few months, many home mission congregations have been blessed in a variety of ways. The following three congregations have either held a groundbreaking, launched public worship, purchased an existing facility, or dedicated their new church building. God is truly blessing mission work and the sharing of the gospel throughout the country.

Carbon Valley Lutheran Church

Carbon Valley, a home mission congregation in Firestone, Colo., dedicated their new church building on November 14, 2021. They converted a former plant nursery into a new space where people will grow in their faith.

Carbon Valley received more than \$575,000 in matching grants and their building loan through WELS Church Extension Fund (CEF), a valuable partner of WELS Home Missions.

Living hope Lutheran Church

Members at Living Hope Lutheran Church in Chattanooga, Tenn., got an early Christmas gift in 2021. . . a new church building! After months of searching for land and/or a space to remodel, an existing church structure came up for sale. They closed on the building, which was converted from a former auto garage in 2013, in December and were able to hold Christmas services in their new space.

The facility has a modern entrance space with a coffee bar, a worship center that fits 230+ worshipers, as well as offices, a nursery, and four classrooms. Living Hope received matching grants and a loan from WELS Church Extension Fund.

Citrus Grove Lutheran Church

Citrus Grove Lutheran Church in Wesley Chapel, Fla., held their grand

WELS News

opening worship service on Sunday, December 5, 2021. They kicked off the weekend festivities with a Family Christmas Fair on Saturday. Children received a free mini-tree to decorate, frosted cookies, sang carols, and got to take home a Christmas book that shared the true meaning of Christmas. People were then invited back for their grand opening worship on Sunday, where fresh squeezed orange juice was served after the service.

Please keep these home missions in your prayers as they continue to share the pure message of the gospel with more people in their communities. To stay connected with these and the other 132 home mission congregations scattered throughout the United States, Canada, and English-speaking West Indies, follow WELS Missions on Facebook at fb.com/WELSMissions.
