Board for Home Missions Approves Five New Missions

On March 31–April 1, the WELS Board for Home Missions met and approved 12 new mission requests—five new home mission starts, five enhancements at existing congregations, and two unsubsidized missions.

New home missions are being supported in:

- Windsor, Colo., where WELS congregations in Ft. Collins, Loveland, and Greeley are supporting this mission start in a rapidly growing area in northern Colorado. Currently 20 WELS families are located in the target area, which has no Lutheran churches.
- Wichita, Kan., where the area population is expected to grow by ten percent over the next ten years on the east side of the city. This will be a second site ministry for Messiah, Wichita.
- Canton, Ga., a fast-growing suburb of metro Atlanta identified by members

and leadership from Beautiful Savior, Marietta, Ga., as a prime location to plant a new mission church.

- Conroe, Texas, the northernmost suburb of Houston, which is the fifth-fastest-growing city in the United States. Abiding Word, Houston, Texas, is helping this new mission get off the ground.
- Lodi, Wis., which is a second-site ministry for Zion, Leeds, Wis. Zion has already leased a ministry center in Lodi and the 17-person ministry team hopes to launch worship services this year. This mission is financially supported by Zion, but it will receive support from Home Missions through the district mission board, mission counselors, and special grants.

The Board for Home Missions is also financially supporting ministry enhancements for St. John, St. Paul, Minn.; Cross of Glory, Baton Rouge, La.; Divine Savior, Delray Beach, Fla.; Abiding Savior,

Killeen, Texas; and Our Savior, Burlington, Iowa. It is providing unsubsidized support to Mount Calvary, Redding/Anderson, Calif.; and Living Faith, Midlothian, Texas. More details about these ministries can be found at wels.net/newstarts.

Rev. Keith Free, administrator of WELS Home Missions, commends district mission board members and mission counselors for the hard work that went into the 28 new ministry requests that the Board for Home Missions received for consideration during last week’s meetings. As Free notes, “Not all the requests could be funded, but \$610,000 of new ministry was. Thank you, Lord, for those who support gospel outreach through WELS’ home mission churches.”

WELS currently has 141 home mission congregations in the United States, Canada, and the English-speaking West Indies. To learn more about WELS Home Missions, visit wels.net/homemissions.
