## Festival of Friendship Sunday

During the past few months you've probably heard or seen something related to a "Festival of Friendship" or "Friendship Sunday." You might be wondering, "What is it?" and, "How is this festival going to affect or involve me?"

Our Friendship Festival will take place on Thursday, September 14 and Sunday, September 17. Very simply, it's a special opportunity for all of us to individually express our Christians "friendship" toward family, friends, neighbors and work associates *by personally inviting and bringing* them to worship with us, so that they might become acquainted with our congregation, and especially with our "Best Friend," Jesus Christ.

The theme of the Sunday is also the theme for Morrison Zion Lutheran Church and School for the 2023-2024 year, "Rejoice in the Lord always!" from Philippians 4:4. A postcard invitation with the theme on it is included for you in this newsletter. More postcards are available at church. Mail them to a friend or hand deliver them.

What will make this Sunday a success are two essential ingredients. First is the blessing of our work by our Heavenly Father. And second, *Your Personal Cooperation and Effort*. Our goal is: One Friend In Church Through Each Member In Church.

Pastor Ott hosted several workshops on *Friendship Witnessing*, *God's Great Exchange* and *Simple Law and Gospel Presentations*, to equip people to be more comfortable with talking about Jesus and the Gospel and inviting them.

Even if you didn't attend one of the workshops, every member of Morrison (children, teens, as well as adults) can help by doing the following things:

**Pray Regularly** for our Festival of Friendship Sunday; for God's direction and guidance as you work to invite a friend to our Festival of Friendship Sunday; and for the sal-

vation of all people who are currently without faith in Christ.

**Identify Someone** you know who is presently without a church home, who may be searching for a church home, or who may be inactive at Morrison Zion or in their church home. This won't always be an easy thing to do. It will take your time, thought and prayers.

**Spend Time With Your Invited Friend** before and after the Festival of Friendship. Get to know your friend better, especially in terms of his/her spiritual needs, hopes, and fears. Remember . . . in order to have a friend, *you* have to be a friend. Sit with your friends at church and help them become familiar with Zion and our worship service.

**Follow up** with them after the service to answer any questions. Invite them to come back to church and join us for worship the following week, September 24 for worship and our Breakfast hosted by the Youth Group. And finally,

**Don't Say, "It Can't Be Done."** With God's help, and with your cooperation, this can work, and work wonderfully. Our calling as Christians is to be his witnesses, and to work for him. It would be a blessing to have many new people at worship that Sunday and in the future. But the greater blessings (and what will make this Sunday a true success) will be realized as the friends we invite to worship the Lord with us come to know Jesus as their friend and Savior.

God will help us be his witnesses to our friends, neighbors, relatives, schoolmates, fellow workers, and other associates, all of whom need to better see and know Jesus as their Best Friend. The harvest is his and he will bless it. You can help with your prayers, your invitations, and your words and deeds in faith.

- Pastor James Enderle

## Worship In September

### Notes on Worship

After reliving the great events of the life of Christ, the worshipping Church spends half a year focusing on the teachings of Christ. The Church wears green during the season of Pentecost as the Spirit uses those teachings of Jesus to grow the faith of believers. In September we are in a series discussing the Church.

Live stream is Sunday morning worship at 8:00 a.m. on YouTube and Facebook. The service is available at any time after that as well. Our page is [www.youtube.com/c/morrisonzionlutheran](http://www.youtube.com/c/morrisonzionlutheran). Share the link with a friend! Find resources for worship at [www.mzluth.org/online](http://www.mzluth.org/online) worship. The online register has been simplified. You may also register by texting 920-949-1038.

## Keyboard Players

We want to encourage our youth to become our future pastors, teachers, and leaders in our church. This also applies to our future music leaders. We are looking for young keyboard players who would be interested in helping lead worship. If you play keyboard or another instrument and are interested in playing for worship, please speak to Mrs. Kuchenbecker. Our goal is to use the gifts of our members while still making sure worship is done with excellence. As these young musicians lead us in worship, please remember that your words can encourage or discourage these future leaders. If you have any concerns or comments please speak directly to Mrs. Kuchenbecker, Pastor Enderle or a member of our worship committee.

**Thank You**

The farewell you all gave me and my family on Aug. 13 was an incredible blessing! I am so very thankful for all the work people did, for all the kind words that were shared with us, for the meal, the presentation, the time to laugh, and the time to thank God for each other!

Thank you especially to Steve Laabs and Don Heise (from Lake City, MN) for each smoking 60 pounds of pork for the day. Thank you to Howard and Tamara Schultz for the sweet corn. Thank you to the kitchen help (even Annette). Thank you to all the speakers at the presentation. Thank you to Liz and Claire for setting up the John Cena memory boards. Thank you to everyone else who I am forgetting to name.

Thank you also to Scott Baeten, owner of Nickel Funeral Home. Scott has not only been a great landlord, but I have also come to deeply value him as a Christian friend!

The time God has given our family has been a blessing! We have shared joys and sorrow. We have had our faith strengthened by Word and Sacrament, as well as refined by fire. But every time we all looked to the Lord he strengthened and sustained us! I thank God and you all for each day!

As I think back to the farewell, I start to get emotional all over again. I imagine this is somewhat like the feeling I will have this year after the Lions win the Super Bowl! Thanks again! God bless and be with you all always. Please stay close to Jesus so we will all have a great meal again in heaven!
