Lead Yourself - Part 2

Who's the Boss? An old TV show, but a question we often think in life. When we thinking about who's in charge of what, "No man or woman is ever fully acquitted of all responsibility. What this means is that everyone leads something. Everyone is in charge of something-even if it's just you. Each one of us is responsible for the choices and decisions we make. We must all learn to rightly influence ourselves" (p 89). Many of us want to have influence on others, but if we can't lead ourselves in the right way, how can we lead others or get them to understand our view of things? *How to Lead When You're Not in Charge*, the book from our Sunday book study, encourages us to think about being the boss of our own actions and emotions.

The author Clay Scroggins encourages four behaviors to help find peace and to be faithful even when you're not in charge. 1) Lead Yourself 2) Choose Positivity 3) Think Critically 4) Reject Passivity.

It is our natural default to pass the buck and blame others for our situation and circumstances. "If you're not being led well, don't pass the buck. Maybe, just maybe, the reason you're not being led well is that you're not leading yourself well" (p 93). The author uses an example of a member sharing that he feels that they don't go deep enough in Bible Studies. The member wants a deep dive into the Old Testament. Scroggin writes "Let me ask you a question first though. Have you started reading the Old Testament for yourself?" (p 94). We often want others to do the work that we are not willing to do ourselves.

When it comes to Leading Yourself, Scroggins encourages us to 1) *Model Followership* and 2) *Monitor Your Heart and Behavior*. Both of these are rooted in our faith in Jesus our Savior and redeemer. As Christians we learn to follow Jesus and become his disciple. *Then he said to them all: "Whoever wants to be my disciple must deny themselves and take up their cross daily and follow me. For whoever wants to save their life will lose it, but whoever loses their life for me will save it (Luke 9:23-24).* We seek to follow God's ways instead of ours. We seek what is best for the kingdom and others instead of what is just best for ourselves.

"What is easier to monitor, your heart or your behavior? The truth is that they're both difficult. The feelings and emotions in our hearts are invisible and difficult to see in the mirror. But our behaviors also have the potential to betray us. All of us have behaved in ways we didn't want to behave or failed to act on something we wanted to act on. Monitoring your heart involves checking those deep-rooted motives and emotions that lie inside you and give direction to your behaviors. Monitoring your behavior must be both horizontal (with others) and vertical (with God)" (p 97-98). When we are founded in our identity in Christ and in his forgiveness we can better handle the difficulties of this life, knowing God is in control. *And we know that in all things God works for the good of those who love him, who have been called according to his purpose (Romans 8:28).*

When we see God's purpose and plan, we can be more positive and we can think more critically. Scroggins encourages us to take responsibility and not be passive. To act instead of wait for others to act, but to do so in a way that builds others up. *Stop being critical, start thinking critically.* What's the difference? *"Motive. People who are critical want you to lose. They're motivated to tear something down. They don't offer constructive criticism; they deconstruct. They're bringing problems, not solutions" (p 143).* Those who are critical aren't thinking we. As Christians we are in a mission together. Thinking of it this way. *Stop giving others a grade start lending a hand. Stop giving others a grade, start lending a hand.*

Planting Gosepl Seeds

In 2022 members of Zion showed in a visible way how we shared the gospel with the beautiful art in the back of church. Let's plant gospel seeds again in 2025! Please place a seed in the fields in the back of church when you talk about Jesus outside of worship. The seeds will be on each side of the double doors. We will clear off the fields before Lent begins. Pray for opportunities to share Jesus with friends and family and place a seed so we may all rejoice as the gospel spreads.

WORSHIP IN JUNE

Pentecost - Undivided Attention It is We live in a world where a thousand things are competing for our attention. There is the real danger that we focus on the frivolous and ignore the indispensable. As a result, we often talk about the importance of being “free from distraction.” But the stakes are higher than that. We need to be freed from distraction. We need the spiritual power to give our undivided attention to that which truly makes a difference, not only here and now, but also in eternity. A life focused on all the right things is only possible because of a Savior who is always focused on us. On the Day of Pentecost, Jesus sent the Holy Spirit to give his followers power and focus. Still today, through his Word, Jesus grants those gifts to his disciples.

We have come to the second half of the Church Year. In the first half, we focused on the life of Christ. In this second half, we turn our attention to all the teachings of Christ. May we give them our undivided attention.

Summer Worship Trial

During the Summer Worship Trial at Morrison Zion, there will be a few adjustments to harmonize worship between Morrison and Shirley.

Communion We will have communion in front of the steps but in tables. People will be able to commune in a table on the pulpit side and the lectern side. Communicants will come forward through the center aisle and exit by the side isles.

Please remember to register for communion using the sheets in the back of the church and in the basement. You can also use the new connection cards. 2 individual cups of white grape juice are available in each tray for those who prefer/need to have a nonalcohol alternative to wine. Gluten free wafers are also available. Hold your palm down to let the server know you would like the gluten free wafer.

Offering There will be no offering taken during the service. You can place your offerings in the back of the church before or after worship. Each church member has assigned envelopes that can be used at either church. Those envelopes will be returned to the appropriate church. Loose donations put in baskets will remain with the church it was donated to. Direct deposit is also available.

Bible Study All are welcome to join Bible Study! Several opportunities are offered.

Sunday 9:25 at Morrison

Thursday 6:00 preceding 7:00 worship

Thursday 3:00 at Shirley

Possible small group studies

Connection Cards In place of the Friendship Register, connection cards which are already being used at Shirley will be used at Morrison. Please write the names of those in worship on these cards and place them in the offering basket at the end of worship. You can also mark if you took communion on these cards. There is also a place for prayer requests and for comments.

Food Pantry

We served 42 families during the May 3rd giveaway. Each family received ground beef, cheeses, apples, carrots, juice, eggs, shampoo, soap, and nonperishable items. Thank you to those who donate their extra eggs from their coops to our pantry each month! We also distribute produce from gardens during the summer months so if you have extra room in the garden you're planning, we'd be happy to distribute your excess garden bounty!

Many thanks to the De Pere VFW Post 2113 for organizing a food drive to support rural food pantries in Southern Brown County! We are grateful for community support!

Also, a huge thank you to Grades 1&2 for using their reading skills to raise over \$300 to shop for our pantry at Festival Foods! What a blessing to have shopping, unloading, and sorting taken care of for this upcoming month!

If you or someone you know needs assistance, please call the food pantry phone #(920) 246-5435 to schedule an appointment. We serve families living within 20 miles of our church. Erin Braun, can be reached at (920) 660-9504 with any questions. Volunteers are welcome to join us for our next distribution on June 7th! First time volunteers are welcome, you don't need to come every month to help make a difference! Set up starts at 7 am and distribution is from 8-10 am.

Scrip

Scrip is a great fund-raising tool for the church and school. Everyday purchases can result in cash back to the school or church and all you need to do is use a scrip physical gift card or e-cards through the app or website.

- Groceries: 3-4 % rebates
- Gas: 4-10 % rebates
- Restaurants: up to 11% rebates
- Fleet farm/Home Depot/Menards: up to 4% rebates

Anyone can use this- look for Rhonda between services most Sundays in the church basement. She is happy to help you get started.

We are looking for someone who would be interested in taking over the physical gift card ordering and selling starting in Summer/Fall. The process is simple, and we can teach you all you need to know. If you are interested, please contact Rhonda Heling at 920-676-6277.

Soup for Souls

Soup for Souls Ministry has several options for meals to share the love of Jesus with our friends and family. Currently, we have Swedish Meatball meal, Lasagna, Mac-cheese, and Booyah available. Don't forget to take a card that shares an encouraging message of Jesus love for us. My command is this: Love each other as I have loved you." – John 15:12

Cemetery Plots

The Cemetery and Grounds committee approved increasing the cost of the lots to \$500 for members and \$750 for members at a voter's meeting held on January 26, 2025. The effective date for these costs is July 1, 2025.

Fun Day Help

Our fun day program has been such an amazing success, we do not want to see it go. With Danielle Ripp accepting the director position for the new ECM, we are looking for someone who may be interested in helping run our fun day program. You definitely would not need to do it alone. Danielle would be willing to share how she has done it and Hillary can definitely help with planning things. If this is something that interests you, please reach out to Hillary Geidel hillary.geidel@mzls.org.

SCHOOL NEWS

1st and 2nd Grade

Mrs. Kuchenbecker

We can't believe another school year has ended! We finished all of our books, have everything cleaned and packed away and are ready for a nice summer vacation. We finished the year learning about the Civil War in reading, 2 and 3 digit addition and subtraction, tricky vowel pairs and economics. The second and third graders (as they now like to be called) have come so far! We had a fabulous trip to the New Zoo! God blessed us with perfect weather. Then we took a trip with the whole school to Woodland Dunes. We learned about frog sounds, pond critters and bird calls. We did our final reading challenge to raise money for our food pantry. Earning twenty-five cents for every book that was reported, the kids were able to raise \$107. With a Thrivent Action Team card, we were able to match what they earned. Our class families also generously donated so we were able to shop with \$335! Thank you everyone for your awesome support!! We then went to Festival Foods to tour the store and shop with the money earned. It was a great time for a great cause. As our year comes to a close we want to thank everyone for their prayers and support. A special thanks to our microwave mom, class helpers, book report listeners, guest readers, class trip drivers and everyone else involved in our classroom. We are truly blessed! Have a super summer!

7th and 8th Grade

Mr. Geidal

With the 2024-2025 school year coming to a close, we were truly blessed to do a number of wonderful things in and out of the classroom. I am so very appreciative of all the parents, students, and other people who played a part in making learning enjoyable. Thank you to everyone who has played a role in supporting Christian education through MZLS! YOU are a true blessing from God.

As we send another group of graduates to high school, we ask that you keep these students and their families in your prayers. Thank you to everyone for making this a truly blessed school year. God's richest blessings on your summer. See many of you back again next school year!

Thank You

On behalf of the entire faculty and staff, we would like to thank everyone for making this past year a huge success. Without all the volunteer help, and of course your prayers, we could not have done it as well without you. We look forward to, Lord-willing, a relaxing summer as we prepare for another school year of teaching the truths of God's Word to his precious lambs. We pray everyone has a well-deserved summer break.

- Thank you to all the parents, grandparents, and other family members who came in to help correct papers or assist our teachers.
- Thank you to Bonnie Evenson for coming in to read to the 1st - 8th graders.

- Thank you to the many parents that help drive and chaperone field trips. This could not be done without you.
